Water Quality Standards and Modeling\_TopHit List.docx

Hi Tonya –

Hope all is well with you! As you likely know, we have a new Division Administrator, Tim Davis. I created this project planning list for him and I thought you would be interested in having it too. It will guide our 2017 efforts. It is not really in priority order, but the first 3 have the most current time demands.

Let me know if you'd like to discuss, otherwise we'll be in touch soon about something, no doubt!

Myla
